Core Platform

Advocate for Families

Kathy prioritizes people, and understands that policies and decisions made in the commissioner's office impact individuals who live and work here. Budgets are value statements, and every family in Licking County deserves a fair shot regardless of their zip code or paycheck.

Build Stronger Communities

Reliable infrastructure like roads, bridges, and public utilities, and public services like public health and public safety keep our communities running smoothly.

Collaborate with Public, Nonprofit and Private Sectors

Commissioners are trusted to spend tax dollars wisely. By working with leaders in businesses, civic organizations, and government entities, we can coordinate our efforts while saving time and getting help to those who need it sooner.

Experience

Kathy has served at the highest levels of local and state advisory leadership in workforce development, public health, early childhood advocacy, and nonprofit governance. Kathy's experience in administrative and executive positions includes time spent in the private, nonprofit, and governmental sectors.
